

A CHARITY FOR CHARITIES
CARING · CONNECTING · CREATING

“My dad has always been supportive of the work I have done through A Charity for Charities a nonprofit I started in 2003 to help other nonprofits locally and nationally. We have given away over \$700,000 to nonprofits for their programs and services.”
(Julie David)

Some of those nonprofit organizations include Susan G. Komen Foundation, Alzheimer’s Family Services, Pediatric Cancer Research Foundation, Make A Wish Foundation, US Variety, The Children’s Charity, Child Abuse Prevention Center, Big Brothers Big Sisters and Breast Cancer Survivors. A complete list is available on our website at www.acharityforcharities.org.

A Charity for Charities was started because many nonprofits are struggling to keep up with the growing demands for programs and services while others are struggling to educate the community about their mission. Add to that, budget cuts due to a decline in donations and support dollars and you have a very big problem: Less manpower and dollars available but increasing needs and demands.

As a nonprofit charitable organization we are committed to giving back by helping other nonprofits better serve their constituencies by raising awareness of their mission through education and promotion and providing financial support for their programs and services.

Your donation in honor of Leonard Woollard will help A Charity for Charities in its work to help other nonprofits with their programs and services.

*Be generous—be a giver, not a taker. Giving only makes you bigger than you are. Only by giving are you able to receive more than you already have. The more you pour out, the more life will be able to pour in.
